CAREER OBJECTIVE:

I'm a computer science student at ESI with a focus on mobile development. I'm hardworking, diligent, and dedicated—all qualities I put forward in everything I do. seeking a position in a SADEEM Informatique company where I can use my skills to the advantage of the company while having the scope to develop my own skills.

WORK EXPERIENCE

Mobile Application

- Used FLUTTER to develop game app for IOS and ANDROID to help children learn.
- Leveraged my knowledge of DART and OOP to write programs
- Worked with the development team to refine the debugging process
